New Bin Reduces Liability

SAFER
CORNER BIN®

STRONGER than most octagonal bins!

- Reduces LIABILITY from DANGEROUS PALLET OVERHANG
- Retailer friendly • Positive alternative to plastic bins
- Full Footprint on standard 48 x 40 pallet
- Manufactured to shipper's specifications with printed graphics

We Have High Definition/Digital Printing Capabilities in California!

The new digital printing technology allows us to create substrate packaging, signage, & graphics that requires no tooling for die cutting. This allows for precise printed graphics and unlimited color capabilities.
